Investment in PT. FUMAKILLA INDONESIA

We SAI are pleased to announce that we have underwritten an allocation of new shares issued by PT. FUMAKILLA INDONESIA, who has the No.1 market share of various types of household products such as mosquito coil, insecticidal aerosol in Indonesia. By accepting the additional shares, our share ratio in the company has risen to 20% from 15%.

Through this investment, we aim not only to contribute to business expansion of the company, but also to play roles that are more important in protection of human lives from communicable diseases and to establish a foundation for comfortable and enriching lifestyles in Indonesia.
